

SCI Assessed

ArcelorMittal

Magnelis[®] coating

Corrosion protection performance

The SCI has assessed technical performance data associated with the corrosion protection of Magnelis ZM120 coating on thin-gauge strip steel manufactured to BS EN 10346.

The full details of the SCI assessment are documented in SCI Report RT1892 v03 (September 2021).

To confirm validity, please visit the SCI Certification and Assessment website at www.sci-assessed.com.
